Complaint

This information pamphlet is provided to familiarize you with the procedures involved (most of which are mandated by law) if you are considering filing a complaint against the Department and/or one of its members.

If you do not wish to file a formal complaint, but wish to speak to the member's supervisor or the Chief of Police, please say so. Our supervisors have been trained to handle complaints and inquiries of this type, and in most circumstances, they can resolve the matter.

If you wish to file a complaint, please be aware of the following:

- ◆ All complaints made against the Department or a member will be investigated. Persons knowingly making a false or malicious complaint are subject to prosecution, pursuant to the provisions of the Annotated Code of Maryland, Criminal Law, Title 9, Subtitle 5, Section 9-501.
- ◆ Complaints made against Police Officers will be handled pursuant to the provisions outlined in the Annotated Code of Maryland, Public Safety Article, Title 3, Subtitle 1, Sections 3-101 to 3-113.
- ◆ If you are filing a brutality complaint, State law requires that your complaint must be sworn to and filed within 90 days of the alleged incident.
- ◆ You may write a letter detailing your complaint, or we will provide you with a form specifically designed for this purpose.
- ◆ When writing your letter, or completing your complaint form, please be as specific as possible regarding dates, times, places, the identity(ies) of those involved, names of witnesses, and what the member did or did not do that is the basis for your complaint. Remember, just like you have a right to due process, so does the Department member.
- ◆ You will be notified of the status of the investigation and when/if an investigator will need to interview you further.

Thank you in advance for your time, patience, and feedback.
